Introduction

Two-year schedule is designed to provide the offered list of courses by colleges and departments for both academic year 2010-2011 and academic year 2011-2012. Two-year schedule gives students the opportunity for a long-term academic planning during their period of study at KIMEP. Also, advising center and faculty can use it for student advising purposes.

The two-year course schedule is updated yearly basis. The some offered courses or sections of the courses can be cancelled due to the low enrollment before classes start; new courses or sections of the can be added before classes start.

The two-year course schedule is prepared by departments of colleges and approved by Department Chairs and Deans in S2010. Also, it is approved by VPAA.
